San Diego Society of Clinical Hypnosis

A warm welcome from the **San Diego Society of Clinical Hypnosis!** We are happy to offer an Introduction to Hypnosis event along with the **Center for Integrative Psychology of CSPP at Alliant International University.**

Come and learn some basic tenets of how to utilize this technique to serve your clients. Learn with two national leaders in Hypnosis who are local SDSCH chapter members for a didactic and experiential evening.

When: **Friday, March 25, 2016**

6 pm Wine and Cheese

6:30-8:30 pm Workshop

Where: **Green Hall, AIU**

10455 Pomerado Road, San Diego, CA 92131

What: **Introduction to Clinical Hypnosis**

At the conclusion of the session, you will be able to:

- ✓ Explain how hypnosis works to a client
- ✓ Employ a suggestive technique that demonstrates responsiveness to suggestion
- ✓ Describe clinical situations in which hypnosis can be an effective therapeutic intervention
- ✓ Explain when the use of hypnosis may be inappropriate

The content will include didactic material (45 minutes), videos (15 minutes), experiential session (15 minutes), questions and answers (45 minutes).

Your presenters:

Ran Anbar, Fellow, Approved Consultant, Past President, American Society of Clinical Hypnosis; Fellow, American Academy of Pediatrics; Professor Emeritus of Pediatrics and Medicine, SUNY Upstate Medical University; Founder and President, Center Point Medicine, La Jolla, CA.

Edwin Yager, Psychologist, licensed in California; Fellow and Past President, San Diego Society of Clinical Hypnosis; Approved Consultant, American Society of Clinical Hypnosis; Clinical Professor of Psychiatry, UCSD School of Medicine; Founder and President, Subliminal Therapy Institute, Inc.
